The Creative Arts Center has tools students can use & sometimes has a few substrates (the base to affix mosaic pieces to), as well. But if you'd prefer your own, bring your choice of Substrate such as: wediboard, wood board, picture frame, tray, wood cutout, cradleboard, etc.

Toolbox to hold:

2-wheeled nipper

Running Pliers

Compound tile nippers

Score & snap tile cutter

Glass cutter/scorer

Palette knives

Dental tools

Tweezers

Hand Files, whetstone

Glass pliers

Look for dishes at thrift stores, garage sales, as well as brick & mortar & online stores that sell new & used dishes like: Craig's List, Offer Up, Mercari, Etsy, Ebay, Pottery Barn, In Home.

Wood cutouts in various shapes & sizes can be ordered quickly from: 24hourcrafts.com. They can often be found at: Joann, dollar stores, & craft stores.

Basic nippers, running pliers, glass cutter/scorers can be found at most hardware stores.
